Life in Jesus Adult Bible Study on Sundays at 9:15 a.m. | Study options open to ALL

LJ Adult Discipleship classes are offered every Sunday throughout the school year. Select one that interests you the most and join in the discussion:

- Crossways, taught by Bob Gleason in Room LL 02/04. From creation, through the Old Testament, all of history points to one Man and one cross. Because of that one Man and that one cross, all of history changes. This fall we will study events leading up to, and immediately following, the birth, life, death, and resurrection of that one Man, Jesus, the Christ. Be amazed at what God has done for us through His Son Jesus.

- James, taught by Andy Ashenden in the Fellowship Center. Have you ever wondered how morality, holiness and obedience work into the Christian faith? This is the thrust of James’ entire letter in the Bible. He puts all these into the context of complete confidence and reliance upon the grace of God. Learn what James has to say about temptation, purity, holiness, the generous giving of God, and much more. God has called Christians to become mature and complete; such a high calling, and so valuable to us that James says we may consider even the toughest trials pure joy. Explore this book that touches both the Triune God and our earthly lives, and brings the two together in only a way an inspired writer of Scripture could.
