

# *Sermon Notes & Reflections*

## **Worship Focus**

“Did you bring enough to share?” Other kids would ask that when I brought something for school lunch that was really good. My answer, usually, was “NO WAY!” (Okay, I was selfish.) One purpose of provision is to enjoy AND to share. That attitude marked the early church and continues to reflect God’s desire for how we use the gifts He has given us.

## **Scripture**

Romans 12:1-8; Matthew 6:19-34; Acts 2:42-47

## **God’s Word to Remember**

Having gifts that differ according to the grace given to us, let us use them. Romans 12:6 (ESV)

## **Homework**

Do an inventory: What do you have more of than you realistically need? Find a Christian ministry to which to donate these.

What gift(s) or passion(s) do you have? How can you “give that away” to someone else this week?
