

# *Sermon Notes & Reflections*

## **Worship focus**

“Save it for a rainy day.” That is the advice some people give about the reason to save. But what are you saving it for? The goal is to best use what God has given us for things that matter not just for a rainy day, but for eternity!

## **Scripture**

Genesis 41:25-36; 1 Timothy 6:3-10; Luke 12:13-21; Matthew 25:14-30

## **God’s Word to remember**

But godliness with contentment is great gain. For we brought nothing into the world, and we can take nothing out of it. 1 Timothy 6:6-7
