

# *Sermon Notes & Reflections*

## **WORSHIP FOCUS**

As followers of Jesus, we have been equipped and empowered by the Holy Spirit to be the salt and light of Jesus in everyday situations. We are all placed in various situations and conversations on a daily basis where the Holy Spirit is prompting us to do something about it. Our relationship with God is both vertical and horizontal. God has lavished His love onto us so that His love will overflow into our daily relationships.
