

Sermon Notes & Reflections

WORSHIP FOCUS

Peter and John encounter a man who was lame and in the name of Jesus is healed. The man's immediate reaction is Joy! He was "walking and jumping and praising God." In our busy worlds, we are often going from one thing to the next checking things off our to-do list. We can become overly critical in our lives when things don't go the way that we would like. Jesus has ex(CHANGED) our sadness and turned it into joy. How can we reflect the joy he has given us this week?
