

Sermon Notes & Reflections

WORSHIP FOCUS

"TheWe receive an overwhelming amount of messages telling us to define ourselves by external measures. What would it look like to base our identity on the way God sees us? One author puts it this way: "an identity grounded in God would mean that when we think of who we are, the first thing that would come to mind is our status as someone who is deeply loved by God." How would viewing yourself in this manner change the way you live?"
