

Sermon Notes & Reflections

WORSHIP FOCUS

What “impossible” situation are you facing right now? Do you think anything can be done? The God of the universe, far beyond anything our minds can grasp, enters the world as a tiny embryo in the womb of a virgin. If He can do that, what do you think He can do in your life?

SCRIPTURE

Luke 1:26-38; 45-56; Psalm 147:1-11

GOD’S WORD TO REMEMBER

“For nothing will be impossible with God.” Luke 1:37

Pondering

How have you seen God at work? What is God saying to you?

What does that mean for your life? What are you going to do about it?
