

Sermon Notes & Reflections

WORSHIP FOCUS

They call it *the dead zone*. Not the place in the ocean where nothing can live, but the time of day after lunch. You have already worked hard for a few hours, you've eaten and are full, and all you want to do is nap. Speakers at conferences don't want to be assigned *the dead zone*. Teachers struggle with their students in *the dead zone*. It is even possible for a person to be there spiritually. To those who want to nap Jesus' message is clear, "Wake up!"
