

It Starts Here.

The book of Acts is a history of the early Christian Church. In the opening verses we see the purpose statement of the Christian Church. We are told that we will be given the Holy Spirit and we will be witnesses of Jesus across the world. Jesus is particular and gives a framework for this witnessing. He says that it all starts where we are right now. It doesn't start by getting on a plane for 12 hours or riding in a packed van for 24 hours van. The mission of Jesus begins HERE.
