

Sermon Title: BOLD!

WORSHIP FOCUS

The Cowardly Lion wanted to find the Wizard of Oz so that he could give the Lion courage. The Wizard gives him “liquid courage,” but we come to see that the Lion was already courageous, acting boldly to help his friends.

Christians face many situations that could cause us to shrink back in fear. Those who have been with Jesus, who have the Holy Spirit, have all the courage we need. Pray for boldness. Be bold!
