LIBRARY MINUTE

Answers in Genesis has declared 2018 "The Year of the Bible." We seek answers to many troubling questions, and they are asking us to turn to God's Word, the Bible, to find truth. Dr. David Noebel said, "If the Bible is truly God's special revelation to humanity, as we believe it is, then the only accurate view of the world must be founded on Scripture." The Library has copies of their Bible reading assistance items, including the DVD "The 7 C's of History—Connecting Bible History to Christ," and "The 10 Minute Bible Journey Devotional." We also have free copies available (quantities limited) of a read-through program of the Holy Bible itself. This is a list that can convert any Bible into a chronological Bible and help make the big Bible "jigsaw puzzle" fit together more easily. Visit your BLC Library and let us help you "Search God's Word for Truth."
