## Call Committee Update

The call committee continues to move forward on the search for a new associate pastor. Here is an update on the process.

- We have a completed job description approved by the Personnel Committee and Board of Directors.
- We have started second-round interviews with selected candidates.
- God has been good in supplying us with some quality candidates.

Please know that we are working as quickly as possible and at the same time being prayerful and thoughtful as we move through this process. If you have questions, please feel free to reach out to any of the call committee members. They would be happy to talk with you. Please keep the process in your prayers, and we will continue to keep you updated on our progress.

## New Hospitality Team Forming

With the increasing desire for relationship-building and relaxed conversations on Sunday mornings, it's time to address the situation. The first step is to put a workable plan together. We are looking for people with gifts of hospitality, organization and serving to move this project forward. Contact Mark Jaeger or Duane Tweeten for information.

## Library Minute

"Speaking the truth in love," tells us what to say and how to say it. The message is truth, and there is no greater truth for anyone to hear than the Gospel of Jesus. The library has a wealth of information on how to approach those who have not found our Triune God of the Bible. BLC's own Jim Valentine, Director of C.A.R.I.S. (Christian Ministry to the Cults and the Occult), has been a generous donator to the Worldview and Apologetics section of the library. As a result, the BLC Library is well equipped to help you in your mission of reaching out to the lost.
