

2018 Spark Fund Application

At Brookfield Lutheran Church (BLC), our Mission is Connecting People to Life in Jesus.

Could a one-time grant opportunity help you...

Advance the cause of Christ by mobilizing the Church's resources to connect people to life in Jesus through missionaries?

If you are a missionary or you support missionaries in any capacity, we want to help you advance the cause of Christ.

The Spark Fund is a one-time grant opportunity for an organization that strongly aligns with our mission and will expand outreach in the name of Jesus. This grant may be awarded to one or more organizations depending on the submissions and the amount allocated. Although we do not have an exact amount, we are praying that the amount available will be approximately \$25,000. We are looking for something new, something that will expand Christian outreach or ignite new Christian programming. With God's guidance, we will be using the following criterion to help guide our decisions:

- Direct impact of the mission project on reaching souls for Christ.
- Connection to BLC and/or other Christian organizations.
- Measurable goals and accountability of the organization.

If your organization would like to submit a project proposal (no more than 2 project submissions for one organization), please complete the attached application. We welcome any additional information you would like to provide, including a 3 minute video, additional documentation etc. Return applications to:

Brookfield Lutheran Church
Attn: Missions Committee
18500 Burleigh Road
Brookfield, WI 53045

Deadline to submit applications is November 2, 2018.

Submissions can also be sent via email to jreedfelton@gmail.com or missions@gobl.org. We ask that you email a note to ensure we receive your submission. If you do not receive an acknowledgement within a week of your submission, please contact the church office at 262.783.4270.

In Him,

Brookfield Lutheran Church Mission Committee
